Staffing firms join forces to offer one stop administrative and IT solutions

Southfield, MI – StaffPro America, a Southfield based Administrative staffing firm is joining forces with d. Diversified Services, who specializes in Technical and Engineering staffing.

According to Lesley Delgado, President of StaffPro America, the move will provide clients with a one-stop shop for business and technical administration solutions. "It is going to make life much easier for our clients; they'll no longer be dealing with different organizations for the much needed support they require."

This change is effective immediately. The company will operate as d. Diversified Services located at 30150 Telegraph Road, Suite 215, Bingham Farms, MI 48025. Additionally, all current StaffPro America employees will be making the move.

d. Diversified has been a leading provider of technical staffing solutions to organizations in the Detroit area for more than 25 years. Steve Henes, President of d. Diversified states, **"At dDS our focus is building relationships...without that nothing works. I am very excited about the synergy's our two companies have in common. This powerful combination will benefit everyone"**.
